

USPTO Customer No. 25280

Case # 5415

CONCLUSION

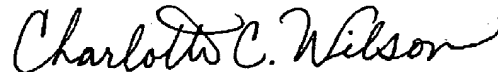

It should be noted that the phrase "Currently amended" as used above is intended to be indicative of the amendments made with the response of January 13, 2004. The word "New" is intended to be indicative of new claims having been submitted with the response of January 13, 2004.

Having now relabeled the claims to provide proper indication of their status, Applicants believe the amendment to be compliant. Accordingly, Applicants respectfully request that this amendment be forwarded to the Examiner for consideration.
